theme:

memories of sounds of the past four years:

the chimes

of the hours through dawn and dark . . .

buzzing saws,

clanking chains, machines that roar . . .

thought and laughter,

the scratching of pens,

the talk of the day,

feet on pavement . . .

occasional moments of quiet and peace,

when sound lies within us, not fully expressed.

STATE UNIVERSITY COLLEGE

1300 ELMWOOD AVENUE, BUFFALO 22, NEW YORK

OFFICE OF THE PRESIDENT

Dear Students:

The first night that Mrs. Bulger, Cindy, John, and I arrived on the campus — I believe it was June 29, 1959 — I heard for the first time the sound of the clock striking in the tower of Rockwell Hall. It gave me a good feeling that has become stronger as I've heard the sounds of the chimes echo through the halls along with the sounds of the students, faculty, and staff going about the task of educating ourselves and others for the important mission of teaching boys and girls.

Another "sound" that I have enjoyed, and one that has real meaning for me, is the whole tempo of this area of our city. It is truly a cultural center, with the Albright-Knox Art Gallery, the Historical Building, Zoological Gardens, Museum of Science, Kleinhans Music Hall, and others as our neighbors.

In this message to you, I find myself feeling nostalgic. This particular Senior Class is the class that I have been associated with during these past four years and together we have been Freshmen, Sophomores, Juniors, and now Seniors. Congratulations on what you have done and will continue to do as you make your contribution to the sounds of teaching and society.

Cordially yours,

Paul G. Bulger

Paul G. Bulger

college local council

It may be the whispered rumor of a proposed change in curriculum or the noisy clang of a steamshovel preparing the campus for a new building. These sounds and many others may well be the product of the work of the College Local Council. This group, under the leadership of Mrs. James H. Richter, consists of nine members appointed by the governor and responsible to the Board of Trustees. As the governing body of the college, the council, among other things is responsible for curriculum development, capital plant planning, and long range development. Through them, the voice of the college is heard and translated into accomplishment.

classes

freshmen

In September the Class of 1966 presented new sounds and new faces to our campus. Throughout the year they were heard participating in Orientation Week, organizing a constitution, electing officers, enjoying their Freshman Prom, and supporting school functions.

CLASS OFFICERS — D. Moulin, Sergeant-at-Arms; M. Calleri, Historian; M. Miller, Treasurer; J. Johnson, Corresponding Secretary; B. Hahn, Recording Secretary; A. Fritz, President; F. DeVinney, Vice-President.

CLASS OFFICERS — J. Parker, President; J. Lynch, Vice-President; S. Farber, Sergeant-at-Arms; C. Rossi, Recording Secretary. **Missing:** S. O'Brien, Treasurer; P. Barager, Corresponding Secretary; D. Adolf, Historian.

sophomores

The Class of 1965 begins their year of activities with the unique sounds of Soph-Frosh Dazing and Soph-Frosh Court. This class also adds to the sounds of the college by participating in Holly-Hanging for Holiday Week and Inter-Class Sing. At the close of the year, the sounds of dancing feet are heard at the annual Sophomore Prom.

juniors

The sound of the gavel is heard at the beginning of the Junior Class meeting where plans are made for Inter-Class Sing, Moving-Up Day, the Junior Prom and many more activities held throughout the year. One reward for their efforts came when the class of 1964 won Inter-Class Sing in November.

In working with student governments, publications, athletics, and religious organizations, this class helps to harmonize the great sing of college life.

CLASS OFFICERS — Row 1: D. Dayton, Vice-President. Row 2: G. Weir, President; C. Kelleher, Historian; N. Miller, Recording Secretary; W. Boyer, Sergeant-at-Arms; C. Schaefer, Corresponding Secretary; T. Cordy, Treasurer.

seniors

For us, the Class of 1963, four years of hope and striving is now about to become a reality. Before we step into the future, let's walk into the past and listen — for the sounds we have made will soon be heard only in tomorrow's memories.

The first sound we heard was the professor lecturing to us as freshmen. Then there was the quiet sound of studying when only the rustle of pages and the scratch of a pen broke the silence. Most exciting of all to hear was the voice of a child calling us teacher for the first time. Soon children's voices became a symphony of curiosity and a desire to learn. Leisure hours brought us new sounds — the laughter and tears of learning to know others; the thrill of true college spirit as we joined a cheer leader in praising the orange and black; and the melody of a voice echoing across the campus.

It's all behind us now but the sounds we have made will never die. In the future, as a class and as individuals, our sounds will carry on to inspire and guide those whom we teach.

CLASS OFFICERS — **Row 1:** Carolyn Uffner, Historian; Vincent Mordeno, President; Sandra Kelleher, Treasurer. **Row 2:** Enid Simon, Photographer; Ken Petruzzi, Pro-tem Sergeant-at-Arms. **Row 3:** Bob Randall, Vice-President; Nan Foley, Corresponding Secretary; Carol Camarre, Pro-tem Corresponding Secretary; Kathy Doyle, Pro-tem Treasurer; Carolyn Spencer, Pro-tem Recording Secretary; Sharon Brown, Pro-tem Historian. **Missing:** Jim Viggiani, Sergeant-at-Arms; Mary Eileen Ryan, Recording Secretary.

congress

Nothing could be more evident than the sound of true democracy heard in the government of our student body as exemplified by Student Congress. Through its president, seven officers, class and dormitory representatives at large elected by the student body, Student Congress has become a pulsing nerve center through which progress and vitality are made to resound on our campus and in our community. As we as students are all members of Student Congress, it is up to us to help foster this sound of democracy so that it may live on in our lives forever.

college union board

Row 1: T. Kolasa; C. Vertrees; F. Ray; E. Light; G. Wright; J. Iraci; A. Juliano; L. Kuehnel; C. Connuck; D. DeFisher; J. Adams, Program Co-ordinator; K. Allyn; M. Marchelos, President; L. Richman, Vice-President; J. Grodneý, Corresponding Secretary. Row 2: M. Archibee; T. Rookey; A. Ullman; T. Corigliano; J. Shaffer; J. Mitchell; N. Zoeller, Treasurer; S. Sokoloff. Absent: J. Swieck, Recording Secretary.

The strains of a well-known band at the Winter Weekend dance, world-famous orchestral pieces in **Once More with Feeling**, and Pat Boone's renditions of the tuneful songs of **Friendly Persuasion** are only a few of the sounds and sights brought to S.U.C.B. by the College Union Board. C.U.B. provides social, cultural, and recreational facilities, services, and programs for the college community. This board forms policies governing the use of the College Union facilities and presents a varied program of activities throughout the year.

Row 1: H. Olsen; D. Roberts; A. Harmon, Secretary; S. Peltz, Chairman; N. Zoeller; S. Kelleher; K. Doyle; M. Miller; B. Bateman. **Row 2:** E. Sugerman; W. Bell; T. Cordy.

finance agency

The Finance Agency, composed of the College Student Association treasurer, seven board treasurers, four class treasurers, and the Student Congress treasurer is under the chairmanship of Sue Peltz with the guidance of Dr. La Morte and Dean Ray.

The Finance Agency is established by the constitution of Student Congress. It recommends and supervises the allocation of all student taxes and class dues voted by the College Student Association for student activities and programs.

orientation committee

Freshman Camp Weekend draws to a close; another freshman class has been successfully introduced to college life. The strange new sights and sounds of S.U.C.B. have been explained through the efforts of the Orientation Committee. This group composed of some 100 volunteers from all the classes continues the tradition of acquainting freshmen with the activities and workings of the college.

The rhythm of Dylan Thomas' "Under Milkwood," the lyrical beauty of John Fuller's "Fairground Music," the origins of jazz and modern dances, and intimacies of the Hemingway family as told by one of its members are all familiar because of the Convocation Board. The Board presents entertainment which is culturally and educationally enriching to the campus community.

The howl of the winds, the singing of the birds, the crackling of dry twigs, and the babbling of the brook are characteristic sounds of College Camp.

Every student may enjoy laughter, fun, and excitement in programs of outdoor education and recreation recommended and supervised by the College Camp Board. The Board is composed of student and faculty representatives headed by Chairman, Dr. J. Urban.

The Publications Board is responsible for selecting the various editors and business managers of the various publications on campus. Its members include the existing editors, business managers and faculty advisors.

The key-note in co-ordination and co-operation of the college publications stems from the combined efforts of the Publications Board members who make decisions concerning all publication business.

junior

Anyone who has ever ventured into the realm of something new and unknown knows what it means to hear the voice of someone reassuring him and guiding him into the sunlight of security and knowledge. Last September the Class of 1966 heard this voice from approximately 250 junior class members serving as Junior Counselors. Throughout the year, the echoes of the past voice and the present voice of friendship and advice continue to help the freshman find his note in the song of college life. A swell of gratefulness and sincere praise arises from the freshman class to those whose aim was service and a true sense of regard for their fellow man.

elms

At the onset of the year, the editors assembled and chose the theme of sound for this publication. Since the book can not talk, we have attempted to carry the theme through pictures, art and literary content. Memories of sounds of the past four years will be dear to the hearts of graduating seniors for a lifetime.

The student body is unaware of the countless hours of planning and work which go into a publication of this type. Rewarding moments arise when deadlines are met on time, when the book rolls on the presses and at delivery dates. The few faithful staff members have created this book for you in hopes that you will reminisce with the sounds of SUCB.

record

The sounds of pencils moving across paper, the rhythmic tapping keys, the bells of typewriters, and the clamor of the printing presses are blended together to produce the **Record**, S.U.C.B.'s fine newspaper. Each week the **Record** informs the student body of recent happenings and future events, sports, cultural activities, and organization news. The sharp pointed editorials stir comment on campus and at home.

math club

The Math Club has more than doubled its membership this year. Throughout the semester, members hear prominent speakers covering such topics as methods of teaching mathematics and the organization and operation of the math program at the college. The group is active and should continue to hold a place of importance on our campus.

kappa delta pi

The relaxed chatter of the Dean's Tea and the long-remembered sounds of the Honors Convocation are the result of the efforts of Kappa Delta Pi, Gamma Mu chapter. This organization seeks to promote excellence in scholarship. Its members, juniors and seniors with 3.2 averages, also sponsor guest speakers and an academic assistance program for students who request aid. Their motto, "Education through Professional Growth," serves as a standard for the entire student body.

seanys

Christmas carols resounded through the halls of the State Hospital this year as the members of the Student Education Association of New York State, chapter at S.U.C.B., serenaded the patients. In their efforts to acquaint the student body with professional organizations, the SEANYS have presented several films, a panel of campus school children, and a roster of fine speakers.

early childhood education

The patter of small feet and the sound of young voices are familiar to those who are interested in teaching in the nursery, kindergarten and grades through three. The Early Childhood Education Club offers the opportunity of joining a professional organization where discussions can be heard of various teaching methods for these grades and the planning of various programs and activities to enrich their teaching program.

council for exceptional children

The members of the Council for Exceptional Children are interested in promoting the welfare and education of exceptional children. Through speakers, movies, panel discussions, and field trips they have come to know the disabled child's tortured efforts at speech, the sound of crutches on the walks where most children would run, and the questions or silence of children who cannot seem to understand. The exhibit for the Atypical Section of the Western Zone Teachers' Conference presented this year was the topic of conversations for many days.

foreign language club

The Foreign Language Club speaks the language of the world. Any student at the college who is interested in foreign language and foreign countries will find others with whom voices are raised to know, understand, and enjoy our neighbors here on earth.

The dominant tones of the Foreign Language Club were heard during their Baked Goods Sale and the Foreign Language Week Program presented during the spring semester. Both of these activities have made our campus a vital meeting place of all languages in our minds. As the sound of language echoes across the world so the sounds of this group are echoing and swelling with majesty among our ivy-covered walls.

international relations club

The heated, but diplomatic, debates of the United Nations are familiar sounds to the members of the International Relations Club through their participation in and sponsorship of model United Nations meetings. They increased interest in international affairs and promoted understanding of international problems through open-forum discussions and a United Nations Week.

phi upsilon omicron

To the Women of Phi Upsilon Omicron, there is nothing prosaic about the hum of a sewing machine or the whir of electric beaters. These sounds are basic to the forward strides made in the field of home economics education and have greater significance for the members of this honorary organization.

With Gale McNinch as president and under the guidance of Dr. Roudebush and Mrs. Buddenhagen, Phi Upsilon Omicron is maintaining a thirty-nine-year tradition of recognizing superior achievement and promoting professional interest in Home Economics Education.

spartans

Formerly known as the Veteran's Club, the Spartans acquired their present name in 1959. It is no longer an organization consisting solely of veterans, but of active young college men. We hear them at class meetings, on the court, in the field during intercollegiate athletics, in classes, at parties, at college camp, and at cottage week. They are the men in the big blue jackets who sponsor a variety show for a children's home. Graciously they stage numerous open parties for SUCB students. State Spartans are characteristic of the well-rounded college man.

boosters of college morale

Enthusiastic encouragement of sporting events can always be heard when members of the B.C.M. are on hand. This organization also sponsors the Queen of Hearts contest to raise money for the United Heart Fund. All male students are eligible to join this organization which recognizes athletic participation and campus citizenship.

It was a cold, dark November night, when a Chevy Impala convertible stopped in front of the Hotel Lafayette. A tall man in a maroon sports jacket emerged from the car, followed by a woman dressed in an evening gown. They entered the hotel and walked toward the Crystal Ballroom. As they approached they heard the sounds of music and laughter coming from within.

Throughout the school year, the same car was seen at many other places around town: Banat Hall, the basketball game, Kappa Kappars, and the Dixieland Review.

One dark night the convertible was seen pulling up to a farm house. The same man emerged and walked into a barn. Moments later a loud noise was heard, and the tall man came running out of the barn, pursued by a goat.

Sig Tau's come in assorted sizes, weights, and degrees of sobriety. Coeds love them, professors tolerate them, deans try to ignore them, and luck protects them. They like college girls, parties, White Rose Queens, Kicking Pumpkins, feeding White Elephants, Ft. Lauderdale, and money from home. A Sig Tau is a shrewd character — you can lock him out of your clothes closet but not out of your social life. And some night, when his parents are sitting home with shattered hopes, he can drop in unexpectedly and drive them to the brink of suicide with six magic words — "Lo, folks, guess who needs money?"

One sunny day a lovely miss in a bright red jacket was walking through the quad leading a white, spotted Dalmatian named Ipsa. She encountered an Oriental from Siam who was Swinging from a tree. She spoke to him about a cultured affair known as a Shimmy which she was going to attend.

The Alpha Sig, as she was called, was in a frightful hurry as she was to meet some Greeks for a song rehearsal. Her schedule was always tight with dinner dances, teas, and parties. Busy as she was, she was never found alone. Her company consisted of some fifty other red-jacketed misses and an occasional man.

Once upon a time in a faraway land there lived a lonely little bear named Tawney. This little bear traveled far and wide, but no matter where he went he could not find happiness. One day he chanced upon the land of SUCB. Here he found a group of lovely young ladies in gold and green jackets. They took him to Tau Dreamtime and a Surprise Birthday Party. He cheered for his adopted sisters when they received the plaque at Cof-a-Riety. There was so much to do in this land of SUCB that he soon forgot his loneliness and decided to stay. He can be found, as happy as ever, with the lovely ladies of Alpha Tau Sigma.

Life at State was sad and dreary — nothing there but gloom;
 But walk into a special place, and girls in green may fill the room.
 They talk of places far away — some place that's called Siam,
 And about a Swing that's swinging there, or was it about a man?
 The light began to dawn on us — the gloom faded away,
 As they talked of jolly Ireland and the Shenanigans — the play.
 And now the gloom is over — the sun shines bright today.
 So let's look on to next year — a year both bright and gay.
 Look for those girls in green and white—the girls who went the Delta way.

Oh boy what a year! No sooner did I get on campus and fight my way through registration, then I had to get started on rushing. Boy what a job! Interest convocation, rush parties and teas — I thought it would never end. But it did. You'd think that after all that work they would let me rest — no such luck. I had to get started on our Foam Folly. Wow! What a night that was. I was so tired the next day that I couldn't move.

1962-63 has been one mad cycle of Parties, Banquets, and Balls; what with Founder's Day, Christmas Parties, Mother's Day Tea, and Tuesday night parties, I thought I would never make it through June.

But now that it's over, well — it really wasn't so bad. I've got the whole summer to relax, and after all, I am a Pi O.

It was a clear September night, when a lovely girl in a purple flapper costume emerged from a car and dashed into Perry Hall. The clock in the tower had just begun to strike two. Soon she would retire to her bed and dream of the wonderful time she had at the Purple Pub.

This was only the first of the many dreams which she would have. For throughout the year she would be taken up in a whirl-wind of social events; parties, dances, modeling in a Fashion Show, a Spring Concert, dinner-dances, teas and Moving-Up-Day. And through all of this glitter and glamour, she remembers in her dreams an event which happened a few years ago, an event which will continue to give her many fond memories and dreams; that event being the day she became a Sister in Sigma Sigma.

inter-sorority council

Active discussions concerning the inter-action of sorority events are heard from the activity rooms every Tuesday evening when the council assembles. This year, the respective members of each sorority have attempted to plan functions to promote more cohesiveness among our six Greek sister groups. The council's primary concern is to sanction all events insuring fairness for all individual groups. Inter-sorority council has gained prestige and importance through their supervision and will continue to gain respect.

inter-fraternity council

Qualities of leadership are evident when the inter-fraternity council gathers for discussion. The young men pictured here are the co-ordinators of inter-fraternity functions involving rushing procedures and the planning of formal and informal events. Our Greek men on campus are active in all campus events and with many thanks to the council, they will continue to function in this capacity.

lutheran student association

The Lutheran Student Association lends a religious note to the sounds in the lines of those students who are interested in the study and appreciation of Lutheran doctrines and beliefs. The Association sponsors many programs centered around the church and participates in the United States Christian Council and the World Student Christian Federation.

wesley fellowship

The solemn tones of faith on a college campus and its meaning to the college student are of serious concern to those of the Wesley Foundation. Proclaiming in all their majesty the cardinal principles of a Christian life, brotherhood, and world fellowship, this group strives to provide a source of spiritual growth to its members and those with whom it comes in contact.

Speaking the voice of the Wesley Foundation were eight delegates who were sent to the M.S.M. Conference in Syracuse. At each Sunday evening discussion, the sound of a learned and yet inquisitive group can be heard at the supper meetings that are conducted at a local church.

Religion is a part of the life of a teacher, and the Wesley Foundation fulfills its responsibility to echo the solemn tone of faith in life.

music board

"Let not your song end with its singing," a phrase written many years ago but still kept alive at State by our Music Board. Through the universal language of music, the organizations which make up the Board present to its fullest measure the secret but ever present harmony which exists everywhere; the laughter of the students, the thunderous cheer as our teams emerge victorious, the wind through the trees as the

darkness settles on the Campus, the throbbing beat of our quest for knowledge, and the ever lingering words of "Our Finest Hour," when our days at State are through.

Through our A Cappella Choir, glee clubs, band and orchestra, the Board is ever striving to give the College and the community the best in music.

Music, the sound of culture of man, is swelled to its height by our orchestra. Led by Dr. Joseph Wincenc, it has echoed across our campus to add beauty and joy to our lives by performing at various college and civic functions. It has helped to swell the sound of the name of our college for which we should praise and give thanks to all who participate in the orchestra.

The Women's Recreation Association, a member of the national association, the Athletic and Recreation Federation of College Women, offers to all women on campus numerous physical and recreational activities and also promotes a co-educational recreation program.

They also schedule intercollegiate contests with many of the other New York State schools, competing in such events as: volleyball, basketball, and softball.

men's athletic association

Recreation is the key-note to relaxing tensions and expending stored energy. State's Men's Athletic Association sees that no male sport goes overlooked as far as activities are concerned.

Co-ordinated by Coach Gene Welborn, the M.A.A. program flows freely during all school semesters, including summer session. Activities include bowling, basketball, baseball, football and volleyball.

All male students are eligible to participate in M.A.A. activities. Expansion of the physical education facilities made it possible to bring together more than sixty organized teams.

Coach Fred Hartrick's booters came home with the first winning record in State's last five seasons, posting six wins, while losing five. The Orangemen kickers played several heart-rendering games, the most exciting of which was their 1-0 loss to Oneonta on Homecoming Weekend early in October. The booters rolled over such powers as LeMoyne (7-0), R.I.T. (2-0), St. Bonaventure (6-4), and Roberts Wesleyan (2-1). Along the way they picked up some lumps against Geneseo (1-3), McMasters (2-6), and Oswego (1-5).

Among the outstanding jobs turned in by the kickers were Banaszak's record breaking six goal, two game performance against Bonaventure and LeMoyne, Paul Kant's election to the All State squad, and Bob Eagan's nomination to the all-conference team.

A good deal of praise must go to the coach himself, for his endurance through the season, his patience with rookies, and his winning touch which gave Buffalo State a hard-nosed, winning team.

freshman soccer

In any J.V. sport, the won-lost record of the team is unimportant. It is the sole duty of the freshman teams to supply the varsity with player personnel. This entails a great deal of work, both to the varsity coach as well as the freshman mentor.

We at State are lucky to have a fellow named Frank Langsner in charge of the frosh soccer squad. Coach Langsner guides and re-habilitates freshmen, grooming them for varsity berths.

This season was no exception. From the frosh ranks came goalie Bob Anderson, forwards Jim Kozlowski, Dale Hagerty and Ed Kempkes. The defense will be bolstered with the additions of fullbacks Denny Schaab and Paul Alvord.

Although the team dropped all of its games, Langsner and Hartrick have polished several of the above for the varsity. They will definitely help in future years.

freshman cross country

The 1963 freshman Cross-Country Team was able to field only five men, just enough for a team, but Coach Jones worked these men into five of the best runners to come to Buffalo State. The team was composed of Bill Ring, Roger Hauck, Chuck Davoli, Al Mazzarella, and Mark Sullivan. They were able to complete an undefeated season with impressive victories over Alfred, University of Buffalo, and Oswego. The team's overall record was seven wins and no defeats. In past season meets the team won the Canisius Invitational Run with Bill Ring and Roger Hauck finishing one-two respectively. In the New York State Meet the frosh won easily with Alfred being their nearest competitor, fifty points behind. The frosh had three men on the All-State team, Bill Ring, first, Roger Hauck, third, and Chuck Davoli, fifth.

With these five men the Varsity looks forward to having one of the best teams in the East.

cross country

Coach Bob Jones' harriers concluded their first undefeated season in seven years as they ground out twenty-three straight wins, and produced a nine meet winner, Ed Winrow. Along with ex-All Americans Tim Burns and Bill Sweet, the runners trampled all opponents with the greatest of ease. Winrow and Burns were elected to the collegiate All American team by the Nation's finest sport's writers.

Although Winrow and Burns dominated the news as far as winners go, the remainder of the team could not go unmentioned. Juniors Mike Blest and Jim Tyler posted consistent third and fourth place finishes to keep State low on the score sheets when the final scores were posted. Sweet came in with several seconds and thirds despite a painful leg injury. Junior Bill Girard carried a tremendous load when Burns was out during the early stages of the season. Last, but certainly not least, is Paul Sonczewski. Paul, a sophomore, came home a strong fifth and sixth with great regularity.

In all, Jones had himself a record year in guiding the harriers. Next year's team should be even more exciting to watch, if that could be possible.

basketball

If you were to walk into the new fieldhouse tomorrow, chances are the echoes of some twenty-four thousand fans who witnessed the undefeated home skien of the Buffalo State Orangemen would still be bouncing off of the walls. Mentor Howie MacAdam guided the team to fifteen wins, including a fourth place in the State Tournament held in Cortland, N. Y.

Among the notable features of the Statesmen's season were Dick Banaszak's move into the position of third highest all-time scorer in the school's history, and the Orangemen's trouncing of UB, 54-45.

To single out any athlete as a lone contributing factor would be an injustice to the rest. Banaszak, along with Junior Mike Broderick, did a remarkable job despite the lack of height the team faced throughout its season. Dick Emer played a one man center position almost without relief. Forwards Jim Roll, John Roberts, Mike Adams and Captain Jack Walko turned in creditable efforts also.

With Banaszak, Roberts, Walko, and Adams departing, MacAdam faces next season with only Roll, Broderick and Emer as seasoned performers. He brought our team up from dismal heights before, so next season should be interesting as well as exciting.

Row 1: M. Urbanski; P. Camp; J. MacLeod; T. Czyz; G. Graham. Row 2: R. O'Shei; G. Gardinier; F. Haavind; J. LoTempio; D. Hagerty; J. Schwartz; W. Bauer.

The baby Orangemen, led by Lafayette star Joe LoTempio, compiled a respectable record of W-9, L-13. The team suffered through some trying times, losing two ex-high school stars to ineligibility rules, in the person of Depew's Bill Bottlinger and Miami High School flash Fred Haavind. Despite these set backs, Coach Fran O'Shei's frosh mauled such teams as Cortland, Bryant and Stratton and Brockport. They dropped some toughies, but the experience gained in these games will prove invaluable to the players who will be promoted to the varsity squad the next season.

Among some of the seasoned ball players varsity Coach Howie MacAdam will be interested in are Mike Urbanski, John MacLeod, Jim Person and Dale Hagerty. Reserves Gary Gardinier, John Schwartz and Paul Kamp also will receive consideration for varsity spots.

In all, O'Shei's team faired as well as any in State's history, which is in itself, a tribute to the hard work of both the coach and his team.

freshman swimming

State's baby mermen were led by diver Dave Warner. They got good performances from Davidson, Fehrenbacher, Richards, Johnson and Koehler. This is another supplying team to a varsity squad. With Warner and Fehrenbacher coming in with some high scoring evenings, Paul Wheeler will find several excellent prospects among the group.

Row 1: E. Fehrenbacher; D. Warner; J. Richards. Row 2: D. Davidson; D. Johnson; B. Koehler.

swimming

Coach Paul Wheeler's much improved mermen finished their most successful season in several years, running up five dunkings, as opposed to eight losses. The stubborn Orangemen battled several stronger teams during their schedule, coming in with many fine showings.

Don Scherer, who set an unprecedented thirty-nine straight wins over the course of the past three seasons, led the swimmers with sixteen first places over the course of thirteen meets, taking three in-a-row against Niagara in the team's last meet of the season.

Along with Scherer's efforts, Bill DeGlopper, Bill Heise, Ron Williams and Lee Herbst all showed marked improvements over the team's records for last year. Although plagued by injuries and illness, Wheeler's team placed third in the State Schools' meet held in the new pool this spring.

A quick recap of the squad's showing this year could be summed up in two big words . . . VERY SUCCESSFUL!

Row 1: M. Blest; E. Winrow; C. Davoli; C. DeOca; C. Guenther. Row 2: T. Burns, captain; B. Girard; R. Hoak, manager; A. Mazzarella; B. Ring; P. Sonczewski.

indoor track

The 1963 Indoor Track team had a very successful season. The team was composed of proven veterans and two very promising sophomores who were the mainstays of the freshman team. The returning veterans were Captain Tim Burns, Ed Winrow, Cliff DeOca, Bill Sweet, Jim Tyler, Mike Blest and the sophomores were Paul Sonczewski and Bill Girard.

The team competed in the big indoor meets throughout the country and ran against some of the best collegiate teams in the country.

The team scored well this year in the Knights of Columbus Meet in Cleveland, Rochester Relays, Michigan State Invitation, Western Michigan Invitation, Penn Relays, Mason-Dixon Games in Louisville and at the State Meet at Union College.

The team showed well in the state meet, winning it and thus avenging last year's one and one-half point loss to Alfred.

outdoor track

This season's edition of the Buffalo State Outdoor Track Team turned in its usual fine job, under the direction of Coach Bob Jones. The outdoorsmen captured several meets in fine style, with many of the team's members walking off with individual honors.

Row 1: C. Davoli; M. Blest; M. Sullivan; C. Tisdale. Row 2: P. Sonczewski; E. Winrow; C. DeOca; B. Ring; R. Hoak, manager; A. Mazzarella; C. Guenther; T. Burns; B. Girard.

R. Narkiewicz; H. MacAdam, Coach; B. Hulme; T. Franklin; J. Mary.

golf

FORE! That's the call Coach Howie MacAdam's golfers answered so adeptly to last fall, with the team cashing in seven victories on the inter-collegiate links. Medalists Jim Mary and Tom Franklin carried Buffalo State several exciting matches with area colleges. Along with Jim and Tom, Billy Hulm and Ron Narkiewicz also carded some respectable scores.

As usual, the University of Buffalo gave the club-swingers their toughest matches of the fall, with Niagara, Canisius and St. Bonaventure falling by the wayside.

With some classy juniors moving up into varsity status next fall, the familiar cry of "Fore" may well be the beginning of State's most successful season on the greens and fairways.

tennis

Row 1: R. Demming; R. Hauck; R. Berns; W. Schmidtfrerick, captain; H. Hackett, coach. **Row 2:** J. Dobmeier; W. Bell; W. Sumi; J. Lynch; A. Berecz; P. Stapell; G. Jason; D. Berns; B. Graham.

Tennis Coach Herb Hackett welcomed almost his entire 1962 squad back this spring, and the returnees continued to improve as the season wore on. Led by Paul Belter and Werner Schmidtfrerick, the racqueteers showed well against several outstanding opponents.

Bob Freitag, Bob Bell and Jerry Lynch proved definite assets to Hackett's Hatchet-Men. They played well under some very trying conditions. With several graduations depleting the corps, along come a few good looking freshman prospects to fill those gaps, leaving Hackett with a strong, well balanced crew.

Row 1: J. Caldarelli; R. Thar; E. Kantor; D. Mydzian; D. Banaszak; J. Johnson; R. Rohe.
 Row 2: F. Tarantino; C. Gaetjens; F. Schimpfhauser; C. Gronwall; M. Adams; J. Walko.
 Row 3: F. Hartrick, coach; T. Kenny; J. Gay; K. Hunt; M. Giancarlo.

baseball

Fred Hartrick's Orangemen came home with another respectable season, despite several crippling injuries to some key men. Graduations also hurt State's team, but they overcame these obstacles to post their third winning season in-a-row.

Seniors Jack Walko, Dick Banaszak, Ed Kantor and Mike Adams did a fine job in their terminating seasons as players. Juniors Bob Rohe, Connie Gronwall and Mike Giancarlo also turned in good efforts.

Of course the senior losses will hurt the team's personnel, but the J.V. team will definitely keep Hartrick supplied with adequate players.

Tim Burns — Ed Winrow

This year, State was honored by the selection of two of its athletes to the All American Cross Country team for 1962-63. They are Ed Winrow of New York City and Kenmore's Timmy Burns. For Winrow, this is the first such honor bestowed upon him, while Burns is a repeat on the coveted team.

Winrow, winner of nine straight triangular meets, is a senior, while Burns still has one more season to run for the Orange and Black squad. Both men are in the Industrial Arts division of S.U.B.C. and this duo carries a fine academic average as well as a fine record afoot.

We are grateful to both these men for the effort and hard work that went into their season. To the student body here at State they have given much.

in deepest appreciation . . .

Hubert Coyer, Physical Education

As all good things must come to an end, so has the reign of the genial Army Major who has for so long provided State with winning teams and an undefeated smile. His name is Hubert E. Coyer. His trade-mark is a personality the likes of which no one will ever copy. His friendliness to his students can be surpassed only by his humane attitude toward life and its varied situations.

Back in the days when sports was just another word for extra-curricular activities, Coach Coyer was molding men and character. His teams faced stiff competition, much the same as we face competition today. Major Coyer has had some disappointments as well as successes, but the one thing we can always cherish is the memories we shared with him, both in days gone by and today.

Yes, after this spring, Mr. Coyer will be gone, but his plastic-tipped cigars and bent hat will be remembered as signs of authority and understanding of student problems forever.

drillets

The tramping of marching feet, the swishing of brightly colored skirts, and the sound of batons whirling as they sweep through the air in perfect rhythm can be heard when the SUCB Drillets perform at various school and civic events. This group works hard to acquire the skills of perfect timing and co-ordination in their routines to proudly represent the college.

varsity "s" club

The newly formed Varsity "S" Club is composed of varsity letter winners. The purpose of this club is to promote athletics on campus and to stimulate interest in inter-collegiate sports through participation, conscientious support and active service.

Annually the Varsity Club sponsors the Block "S" Banquet and provides ushers for all athletic events.

Members of the Varsity "S" Club are hopefully looking toward the expansion of the organization and of all athletics.

s.u.n.y. confederation of students

T. Pepper, President; J. Centore, Secretary; L. Marosy, Secretary.

This newly formed organization's purpose is to unify the students of the State University of New York in order for the students to voice their opinions in affairs that directly affect them. They foster the recognition of student's rights and responsibilities, guarantee student representation, and create co-operation between the students and the administration of the State University.

Membership in this organization is open to all member colleges of the State University of New York. S.U.C.B. is proud to have the president of the Confederation, Tom Pepper, who is doing a wonderful job in making the organization an important part of our student government.

student counselors

The new student counselor roles and responsibilities in Residence Halls involve that of the individual, the group, and also the physical plant. They constantly strive to integrate and unify living in Residence and they provide direction to residents whether it is personal, social, financial or academic. They provide and insure the best possible environment for the resident in community living.

These student leaders communicate information, ideas and ideals to students, hall governments, and staff in promoting maximum social and democratic living experiences for everyone. They are friends and confidantes, catalysts and co-ordinators in providing the maximum opportunity for individual and group growth.

international students

One of the new "highlights" on campus is the new International Center, located in Rockwell Hall. Within this center can be heard the many friendly foreign tongues of our International Students as they gather there for discussion of their new college life and of their life in their many home lands.

The Center also offers the opportunity for American students to meet and acquaint themselves with the International Students and to foster understanding between our country and their's.

siena

An alarm clock rings; it's morning in Siena, Italy. Dawn breaks on a new day, new experiences, and new sounds for the student spending one semester in Siena. He lives with the native people, walks their streets to attend classes, and learns their language and customs. Upon his return to the United States, the student brings with him the memories created in each new day and has left sounds of American life in Siena.

In the past, the semester program in Siena was open to art students exclusively. It is now offered to students in other departments as well.

The students pictured here have spent one semester in Siena and are among the June graduates. Their Siena semester experience will never be forgotten.

The click of a camera and resulting professional photographs were the compliments of Albert Sillato and the Don Jay Studio.

Expert advice and orders for the rolling of presses were given by representative George Geer of the Baker, Jones, Hausauer, Inc. printers.

Whirring propellers were heard as Earl Hoffman and Heussler Helicopter Corporation cooperated for the aerial photographs.

Sighs of relief came from the editor as the book neared completion and a faithful staff retired for the year.
